# Places to go, people to see...

If there's somewhere you need to be, or someone you need to see, almost anything's possible. Our friendly Personal Support Workers will happily support and provide transport to and from:

Medical appointments

Coffee and company

Visits with family and friends

Watching the game or a show

The shops/  
shopping

The library  
or your local  
community

BodeWell Community Care staff are dedicated, experienced and qualified to provide you with the care and support you need to ensure you arrive safely and relaxed at your chosen destination or appointment.
