Dear BodeWell community,

We would like to inform you of an important development regarding BodeWell Community Care.

After careful consideration, Arcare Aged Care has made the decision to sell BodeWell to Regis Aged Care, following a thorough selection process. This decision has been made with the best interests of our team, clients, and the future of BodeWell in mind.

Regis, with its extensive experience in home care and a strong national presence, is well-positioned to build upon the foundation we have established. We are confident in their ability to maintain BodeWell's values and vision.

We would like to express our gratitude to the entire BodeWell team. Your dedication, hard work, and commitment have been pivotal to BodeWell's success, and we are thankful for your contribution.

We anticipate that completion of the sale to Regis will be finalised mid 2025. There will be no immediate changes to the conduct of the BodeWell business in the lead up to completion and we remain focused on continuing to support our clients, our team, and our community, ensuring everyone involved is considered throughout this process.

We know you will have a number of questions. Further details in relation to the transition to Regis, along with a timeline of what to expect, will be communicated as soon as possible in the new year.

Thank you for your continued support as we move forward into this exciting new phase.

Kind regards,

Colin Singh
Chief Executive Officer, Arcare
