**BodeWell**  
Community Care

## **We care about people.**

Our flexible support is designed to assist people with a disability or temporary impairment to be involved in their local communities and make more possible out of their lives.

### **Ongoing support**

Our friendly and professional support team provides assistance as directed by you. This can include:

- Transport/ support to engagements
- Personal care
- Domestic assistance
- Community access support
- Social support
- Individual support
- Support coordination
- 24hr care available
- Other duties as agreed
- 24hr phone support

We are also a TAC & Workcover approved provider in Victoria only.

### **Our staff**

Our support staff are qualified to provide the level of assistance you require. Their qualifications include:

- Certificate III or IV in Disability Care
- Level 2 First Aid
- Manual Handling
- CPR
